ABOUT US

# STANDARDS AND CERTIFICATION

To embrace integrity, transparency and cooperation, we have implemented internationally recognized standards of environmental and social performance: the Equator Principles; IFC Performance Standards; ISO 14001, 9001, 4500; Voluntary Principles on Security and Human Rights. The integrity of our implementation was assessed by independent consultancies including Golder Associates, ERM and others. We are also currently working on implementing the UN Sustainable Development Goals (SDG) and Global Reporting Initiative (GRI).

PFP has been granted international certificates of environmental management systems ISO 14001, occupational health and safety management systems OHSAS 18001 and quality management system ISO 9001. It is currently in the process of receiving occupational health and safety management systems ISO 45001 certification.

Pronico has been granted international certificates of environmental management systems ISO 14001, occupational health and safety management systems ISO 45001 and quality management system ISO 9001. In May 2018, Campania Guatemalteca de [redacted]co – jointly

referred to as Fenix project – partnered with ERM Mexico, S.A. to evaluate progress made to date in the implementation of the Environmental, Social, Health and Safety (ESHS) best practices. The 2018 review features development updates, the implementation of the previous series of the Fenix project's performance reviews, and the action plan issued in the years 2013 – 2016. The current report is focused on internationally recognized ESHS requirements and standards, as specified by the International Finance Corporation (IFC) Performance Standards (PS) on Social and Environmental Sustainability and related policies and guidelines

Our operations in Macedonia have been granted complex, integrated environmental permits, as well as international certificates of quality management (ISO 9001), environmental management (ISO 14001) and occupational health and safety management system (ISO 45001).
